**TO INSURE RESPONSE PLEASE INCLUDE SASE.**

**Events:** Thought provoking panals, Riveting readings, and I can't spell the other one. We won't say exactly what because we don't want to spoil the suprise. Besides, we haven't decided exactly what we want to do yet (We're meeting about that again tonight). Also see Concom running around like a chicken crossing the road with its head cut off.

**Movies:** Selected as usual by Denny "Focus" Lynch.

**Video:** Like last year only completely different.

**Artshow:** This time it's being run by a real live artist, Colleen Kobe. The show will open Friday atr noon to register art. We'll have hanging space for 2D art, tables for 3D art, and (if we can swing it) a stasis box for 4D. There will be one art auction on Saturday night. There is a fifty-cent per work display fee, and we get a 10% commission on all work sold. Non-attending artists are requested to purchase a \$5 supporting membership. For more info, or for control and bid sheets, send a SASE to Colleen.

**Huxter room:** As always in the charge of Rusty Hevelin, the best in the business. Rates are \$10 for the first table and \$20 for each additional table. For more info get ahold of Rusty. Also this year we're charging a flat fee for those people selling from their rooms.

**Special attractions:** A masquerade, a pun contest, maybe another trivia contest. Swimming (the favorite sport of the Man from Mars). The unusual, the bizare, the unexpected. The Trans Iowa Canal Company.

**The Bird is Cruel**
